President's Messages & Announcements:

- **Miguel Hernandez** reported that the [Dave Melendy Blood Drive](#) on Thursday was successful; he thanked everyone who volunteered and donated blood, and noted that **Gil Igleheart** and **James Molnar** of [Sunset Rotary](#) spent two hours assisting.
- **Joe Morrow** thanked everyone who appeared at the [Chamber Mixer](#) Wednesday night at La Terraza -- great turnout by our membership and community... and great fun; all coordinated by Dr. Joe Morrow.
- More thanks to **Sue and Roger Robinson** for their continued warm and cozy orientation meetings for new members at their home--GREAT chili! It was a wonderful turnout to welcome **Patty Griffin** to our club and share lots of smiles and good cheer.
- **Gil Igleheart** of [Sunset Rotary](#) announced that **John Lindsey**, Meteorologist for PG&E, will be guest speaker at the [Sunset Rotary](#) meeting held February 21 - 5:30 upstairs at the Pub. His topic will be our weather, of course, and perhaps some emphasis on the rains we have been receiving.
- **President Sharon** announced that it was time to PIN **Patty Griffin** and recognize her sponsor, **Mike!!** Patty was most gracious in her brief outline of her many services and accomplishments and past relationships with Rotary and turned the tables by presenting a quiz to all of us -- the person getting the most right answers **Gerry Porter!** We had some interesting answers to her question on the best way to get a pig/hog to move in a direction it doesn't want to go--the correct answer is to put a bucket on its head. She also took advantage of her three minute "no fines" speech to tell us about her studio and the great artwork/design that is being done by her son for several companies.
- **Mike Griffin** then announced he had some unfinished business with the [Neal Jensen Fellowship](#) awards by calling first, **Dennis Rightmer** to the podium to receive his certificate. Mike had queried each recipient named today to name two things that our group may not know about them. Dennis used to drive Cheryl **Tiegs** to school and his next door neighbor was **Roy Rogers!**...Crazy. Mike then asked **Christel Chesney** to come up to receive her award. Christel wanted to point out that she has been married 6 times to five different men and wished that the Fine Master was present so she could tell him that she collects houses.
- **Steve Ormondroyd** announced that the [Highway Cleanup](#) has been postponed to February 24 due to the rain.
