Presentation:

Barbara Burns introduced **Dennis Frahmman** who is helping to organize the **Cambria Film Festival**. Dennis is a journalist, writer and award-winning marketer who grew up in small towns in Wisconsin and now lives in Cambria, California. He is the author of three novels (Tales From the Loon Town Cafe, The Finnish Girl, and The Devil's Analyst) that involve a related cast of characters all connected to the same small town in northern Wisconsin.

Guest speakers **Dennis Frahmman** and **Nancy Green** spoke about Cambria's first film festival. **Nancy Green** is a founder and director of the **Cambria Center for the Arts**. At our Rotary meeting today, our guest **Scott Williams** offered to be the graphic arts designer for the festival.

The project began with an idea from **Alan Fraser**, owner of the Love Story Project in Cambria, who reached out to **Nancy Green** to help him with the film festival idea. The project has two initial sponsors: CCAT and the Cambria Tourism Board. They are asking for more sponsors and for volunteers from the community to carry out the project.

The theme for the first festival is **Romance and Romantic Comedy**. Several films will be shown throughout the festival at CCAT (Old Cambria Grammar School auditorium), Pewter Plough and the IMAX Theatre at Hearst Castle. An opening event will be held at CCAT and a closing champagne reception will be held at the foyer of the IMAX Theatre.

Organizers plan to sell categories of tickets, i.e. gold passes which include access to all events. There will also be levels of donations for contributors' recognition.

The film festival website is: www.cambriafilmfestival.com

Generosity
changes everything

they would be willing to make a donation. Not sure where to start? Contact **Linda Sherman** or **Karen Pelle** for ideas.

Donations: We are still in need of **silent auction, live auction** and **raffle items**. And, there are still **Grand Raffle** tickets available. Remember, giving is not just about making a donation, it is about making a difference. So please consider helping to make this Viva successful and giving our Avenues of Service adequate funds in 2018-19 to complete all the projects on their wish list. If each of us gives just a little, it will amount to a lot! Consider asking a merchant or winery you frequent if
