Program for Today: **"ANNIE LEIBOVITZ"**

Janet Myers introduced speaker **Tess Wright**, former LA & Orange Co. Court Mediator, who now operates **Painted Lily Gallery** in Cambria and lectures on Art History. Tess gave a slide presentation which illustrated the fascinating career of the photographer, beginning with the Rolling Stones and the Beatles in the 70's and more recently providing over 100 covers for Vanity Fair. Tess showed several of the iconic photos, which have made Annie famous: i.e. "The Last Kiss" of John Lennon and Yoko Ono on the day he was killed. With the inspiration from longtime friend and partner Susan Sontag, Annie has joined Gloria Steinem in the worldwide documentation of the character of women for a new book.

VOLUNTEER QUOTE OF THE WEEK

Volunteering can be an exciting, growing, enjoyable experience. It is truly gratifying to serve a cause, practice one's ideals, work with people, solve problems, see benefits, and know one had a hand in them.

ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4th Of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
